7 All defense counsel shall handle those motions that are particular to their
8 respective client's case and situation.

9
10 Potential issues may arise as the case progresses. Attorneys' who have been
11 designated as lead counsel for a particular topic/matter may no longer be
12 actively pursuing resolution of the case for trial. This may result in cases where
13 plea agreements have been reached or co-defendants have agreed to serve as
14 cooperating witnesses against other co-defendants. If this should happen then
15 the attorneys still actively preparing the case for trial will have to assume the
16 responsibility for completing the duties of the withdrawing attorney.
